If the balance in the Bank current account is at any time likely to overdrawn, further amount may be transferred to the Bank from the Treasury balances. If expenditure to be met by the Board cheques may be issued in payment of bills received. Subject to all cheques now exercised over them before cheques on the Treasury are drawn. The Compt will prescribe the account procedure to be adopted under the new arrangements.

9) If these arrangements are approved by Govt, the Carrying work now felt in the Bowringpet Treasury will be somewhat relieved.

(12) Though in the present period of financial strain it is not desirable to permit any depletion of our treasuries however small by diverting funds elsewhere yet owing to the inconvenience experienced by the Sanitary Board in having to remit money to, and draw it from the Bowringpet Taluk Treasury and as we canno reasonably object to their earning interest on their deposits, the ~~bond~~ Board may be permitted to transfer its deposits to the Bank as requested, arrangements being made to keep always in the treasury sufficient balanc to meet payment's which under existing rules of procedure have to be drawn direct from the treasury.

(13) If however the Board could be induced to postpon this arrangement for some time till the present strai on our finances is ~~relieved~~ relaxed I would strongly urge their application for transfer of funds to the Bank and similar applications ~~from another~~ from other bodies being taken up for consideration say after a year.

No: C 329 9-22 anc 2 LB 125-21 — 2

FEB 1922

From

Md. Zahiruddin Mecci Esquire, B. A.,
President, Sanitary Board Kolar Gold Fields,
Champion Reefs.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

S i r,

I have the honor to enclose herein a copy of the Sanitary Board's resolution No. 15 passed at their meeting held on the 28 r December last approving of the proposal to transact the Board's business in the branch Bank of Mysore which is located opposite to Ooregaum Railway Station, at a distance of a mile from the Sanitary Board Office, at Champion Reefs.

2. The surplus balance at the credit of the Board is now deposited as particularised below:-

(1)	In the Bowringpet Taluk Treasury (closing balance in November 1921.)	Rs. 9375-2-0
(2)	Investment in 6¼ p.c State Loan.	10100-0-0
(3)	Fixed deposit in the Bank of Mysore.	13167-1-3
	Total.	32640-3-3.

3. The average receipts and expenditure of the Board under service heads amount to Rs. 85,887/- and Rs. 87,628/- respectively as indicated in the statement enclosed.

The collections are at present remitted to the Bowringpet Taluk Treasury and moneys required for the expenditure of the Board are drawn on cheques from the Treasury. This system entails much

much inconvenience labour and frequent journeys to and fro from here to Bowringpet resulting in unnecessary waste of time detrimental to office work.

4. A major portion of the collections, viz, about Rs. 6,5000 is now received direct in the Sanitary Board Office and the moneys thus received and moneys drawn from the Treasury are at present kept in the iron safe fixed in the Sanitary Board Office in the custody of a cashier. It is very unsafe and risky to keep large amounts in the safe for fear of thefts etc, which are not uncommon on the Field.

5. It has also been dedided by the Board at the same meeting that the collection of house and mohatarfa taxes and the sanitary cess which are now being made in the Revenue Department through the Amildar of Bowringpet should be taken over under their direct control and made by the newly appointed Revenue Officer of the Board. Including these collections which are estimated at Rs. 11,000/- and the income from the levy of vehicle tax which was newly sanctioned and introduced in the Sanitary Board area amounting to about Rs. 4000/- the collections that will be directly received in the Sanitary Board Office, will amount to nearly Rs. 80,000/- a year.

6. The Board having already invested their surplus in the Bank, in fixed deposit, it is more convenient to have all current transactions of the Board as well, in the said Bank owing to close proximity to the Sanitary Board Office at Champion Reefs, than in the Taluk Treasury at Bowringpet. This arrangement is moreover pecunarily advantageous and profitable to the Board as the Bank offers interest for surplus amounts over Rs. 2000/- and up to Rs10,000/- deposited in the Bank, besides savings a large amount of travelling allowances to the staff who take and bring cash from Bowringpet.

In these circumstances, I request you will be so good as to obtain early sanction of Government to the recommendation of the Board for transacting the Board's business with the Branch Bank of Mysore in Ooregaum.

I have the honor to be,
Sir,
Your most obedient servant,

President.

Extract from the copy of the proceedings of the third - Ordinary Meeting of the Kolar Gold Fidld Sanitary Board held on - 23rd December 1921.

15. Proposal to have all transactions of the Sanitary Board with the branch Bank of Mysore in Ooregaum.

Resolution:- Resolved that sanction of Government may be obtained for the proposal.
